Subject: Appeal against CPIO's reply No. R. 12011/1/2019-Ad.I (B) dated 10.07.2019.

Sir,

I have filed RTI application dated 20.06.2019 (copy enclosed) to Shri Rajender Kumar, Under Secretary & CPIO for seeking information under RTI Act, 2005 but unsatisfactory partly reply has been received from Shri Raghvendra Singh Kushwah, CPIO & Under Secretary vide letter No. R. 12011/1/2019-Ad.I (B) dated 10.07.2019. In this regard it is mentioned that reply given by CPIO is unsatisfactory. The details of RTI application, Reply of CPIO and ground of appeal is as under :-

Sl.No.	RTI application dated 20.06.2019	Reply given by CPIO dated 10 th July, 2019	Grounds of appeal
i	I want to know about the each official of Central Secretariat Service (CSS) from ASO to Director who are working in Department of Revenue.	As far as CPIO (Ad.I-B Section) is concerned, the work of internal transfer/posting of ASOs is dealt in this Section. This Section kept the section-wise list of ASO, which is updated time to time as and when transfer/postings are made. However, the information in the requisite format as sought by you is not available in this Section.	The reply of CPIO is not satisfactory. As CPIO has mentioned that information is not available in requisite format. Administration Section has complete information regarding deployment of officials, but CPIO doesn't want to provide the requisite information. Format in RTI application was for the easiness of CPIO. Moreover, I appealed that kindly issue suitable direction to CPIO for providing information in any format which covers all points of information sought by me in my RTI application.

2 As per the above, it is evident that the CPIO has not provided the information on frivolous grounds which is not in consonance and spirit of the RTI Act. The delay in providing information under the RTI Act is against the principle of natural justice. I would therefore, request you that in your capacity of appellate authority insure that the spirit and provisions of RTI Act are not violated and be gracious enough. Therefore, you are requested to issue suitable direction to CPIO for providing/sought information in RTI application.
